Re: *Algonquin Gas Transmission, LLC*, Docket No. RP21-____-000

Dear Ms. Bose:

Pursuant to Section 4 of the Natural Gas Act¹ and Section 154.204 of the regulations of the Federal Energy Regulatory Commission (“Commission”) promulgated thereunder,² Algonquin Gas Transmission, LLC (“Algonquin”) hereby submits for filing as part of its FERC Gas Tariff, Statements of Negotiated Rates (“Statements of Negotiated Rates”), the tariff record listed in Appendix A to be effective on January 14, 2021.

STATEMENT OF NATURE, REASONS AND BASIS

Algonquin is making this filing pursuant to Section 46 of the General Terms and Conditions (“GT&C”) of its FERC Gas Tariff, Sixth Revised Volume No. 1, in order to reflect a negotiated rate transaction that it has entered into with Direct Energy Business Marketing, LLC (“Direct Energy”) for firm transportation service under Rate Schedule AFT-1 (AIM Project). The tariff record identifies and describes the applicable negotiated rate transaction, including the exact legal name of the shipper, the negotiated rate, the rate schedule, the contract term, and the contract quantities. Direct Energy acquired the capacity as a result of the release of capacity for gas day January 14, 2021 by Yankee Gas Services Company dba Eversource Energy (“Yankee Gas”) of capacity under its AFT-1 (AIM Project) service agreement, to which the negotiated rate agreement set forth in Section 29 of the Statements of Negotiated Rates is applicable. Algonquin has entered into an individual negotiated rate agreement with Direct Energy to reflect the negotiated usage and fuel rates that were passed through to Direct Energy pursuant to the provisions of GT&C Section 46.4(C) and the terms of the negotiated rate agreement with Yankee Gas.

PROPOSED EFFECTIVE DATE

Algonquin proposes that the tariff record filed herein become effective on January 14, 2021. Algonquin respectfully requests a waiver of the notice requirement contained in Section 154.207 of the Commission’s regulations, 18 C.F.R. § 154.207, and any other waivers that may be required for the Commission to accept the tariff record filed herein to become effective as proposed.

¹ 15 U.S.C. § 717c (2018).

² 18 C.F.R. § 154.204 (2020).

IMPLEMENTATION

Pursuant to Section 154.7(a)(9) of the Commission's regulations, 18 C.F.R. § 154.7(a)(9), Algonquin files this motion to place the revised tariff record filed herein into effect at the expiration of any suspension period set by the Commission, provided that the tariff changes are approved as filed and without condition. In the event the tariff record filed herewith is not approved as filed and without condition, Algonquin reserves the right to file a motion at a later date to place such tariff record into effect.

COMPLIANCE WITH REGULATIONS

In compliance with Section 154.4(c) of the Commission's regulations, 18 C.F.R. § 154.4(c), all contents of this filing are being submitted as part of an XML filing package in conformance with the Secretary of the Commission's instructions.

In compliance with Section 154.201(a) of the Commission's regulations, 18 C.F.R. § 154.201(a), a marked version of the proposed tariff record showing additions to and deletions from the currently effective tariff record is attached.

Copies of this filing are being posted in accordance with Section 154.207 of the Commission's regulations, 18 C.F.R. § 154.207. In accordance with Section 154.208 of the Commission's regulations, 18 C.F.R. § 154.208, copies of this filing are being served electronically on Algonquin's customers and interested state commissions. A paper copy of this filing may only be served if a customer or state commission has been granted a waiver of electronic service pursuant to Part 390 of the Commission's regulations, 18 C.F.R. Pt. 390.
